## **PERRY FOUNDATION**

### **Report of the Council of Management For the year ended 30 September 2018**

The Council of Management present their report with the financial statements of the Foundation for the year ended 30 September 2018. The Trustees have adopted the provisions of the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued on 16 July 2014 in preparing the annual report and financial statements of the Foundation.

#### **Objectives and activities.**

The main objective of the Foundation is to promote the cause of agriculture and related disciplines in the UK by using its income to grant Postgraduate Scholarships in appropriate areas of work. Full details of the Foundation's objects may be found in the Memorandum of Association. The Perry Foundation has not been a fund raising body but keeps under review opportunities of adding to our funds.

#### **Achievements and Performance**

The Foundation invites approaches for part funding Postgraduate Scholarships through its website, by allowing details of its funding to be included in appropriate publications and on their websites. The application require full details of the applicant and the research to be undertaken and must have the full support of the university, college or research establishment in the UK where the project will be completed. All projects must be of definable benefit to agriculture in the United Kingdom.

#### **Financial Review**

The Statement of Financial Activities for the year ended 30 September 2018 is shown on page 7 of the financial statements and the work of the Foundation is described in this report.

2018 has seen a gradual improvement in the markets, especially equities where we have the largest proportion of our portfolio. Our policy in focussing on equities is to generate the income to provide grants to our students. In this respect we have been successful with annual investment income of approx. £145,000 and our Accounts show an increase on the book value of investments of approx £75,000

The overall cost of a Postgraduate Scholarship increases every year and the Foundation will continue in future to fund new scholarships each year with an aggregate total amount of £40,000 each award taking into account the likelihood that scholarships may exceed three years.

During the year four new PhD Scholarships were awarded.

#### Income generation

All income is derived from returns on investments and interest on cash deposits. There was no other income during the year.

### **Report of the Council of Management For the year ended 30 September 2018**

#### **Financial Review Continued....**

##### Investment Policy

The Foundation's principal investments consist of quoted UK investments. The Foundation also has cash on deposit at Barclays Bank PLC and COIF Charity Deposit Fund Account from which it receives gross interest at current market rates.

The quoted UK investments are held by Schroder/Cazenove Capital Management Limited and are managed by them on behalf of the Trustees.

Quoted UK investment income for the year amounted to £145,435 (2017:£147,241)

During the year the market value of the invested portfolio increased by £75,097

The total return in the form of income and capital gains/losses was 4.6% (2017:8.4%.)

The investment performance and the management of the invested funds is closely and regularly monitored by the Trustees through the Finance Committee.

##### Resources expended and services

Grants are charged to the Income and Expenditure account when their payments become due.

The total value of grants payable during the period was £123,282 (2017:£107,400)

Income available for the payment of grants depends on the performance of the financial markets.

##### Reserves

The Council of Management have reviewed the reserves of the Foundation and consider that the investment portfolio represents endowment funds which have been invested to provide income to pay grants and also to provide capital growth. The income is transferred to the unrestricted fund and is available for use at the Trustees' discretion.

There was a surplus for the year on the general fund of £4,374 (2017:(£37,463))

We manage reserves to meet any shortfall in anticipated income to meet future payments in respect of grants awarded.

At the end of the financial year the values of reserves held were £132,351

#### **Structure, governance and management**

The activities of the Foundation are governed by its Memorandum and Articles of Association, copies of which are available upon application to the company secretary. Perry Foundation is a company limited by guarantee, not having a share capital, and its registered company number is 335659. Perry Foundation is a registered charity number 310885.

The Foundation is managed by the Council of Management.

The names of the Trustees of the Council of Management are shown on page 1, where membership of Committees is also shown. All appointments to the Council of Management and to Committees are made by the Council of Management and all appointees must be Trustees of the Perry Foundation having been elected to trusteeship at a General Meeting. Trustees of the Council and Committees receive no payment for their work for the Foundation.

The Grants Committee consider all completed Applications for Postgraduate Scholarships and, with the support of the Finance Committee, make recommendations to the Council of Management who decide which award applications will be supported.

The Finance Committee reports to the Council of Management on all aspects of finance, income and expenditure and the management of the Foundation's invested funds.

The Council of Management and the two Committees meet at intervals during the year and, after approval by the Council of Management, Committee recommendations are implemented by the Secretary who has day to day responsibility for the administration of the Foundation.

### **Report of the President For the year ended 30 September 2018**

Perry Foundation has enjoyed another successful year including a moderate increase in the value of investments. Our charitable purpose is unchanged, namely the support of research and education in agriculture and related areas for the public benefit. Our main focus is the funding of PhD studentships at University departments and recognised establishments.

The Trustees continue to carry out our charity's purposes for the public benefit and confirm that, in doing so, we have had regard to the Charity Commission's public benefit guidance where relevant.

Once again we were able to shortlist from a strong field of applications, and held interviews in January 2018 at the Farmers Club in London. From this engaging day we were able to select candidates whom we believe will gain their Doctorates and hopefully go on to make careers in research.

Our investment portfolio continues to be managed by Cazenove Capital Management, part of the Schroder Group. We are grateful to Jeremy Barker and their experienced team of fund managers for providing us with a stable stream of income.

This year we saw the retirement of Geoffrey Gent and I must record our thanks for his invaluable service as a Trustee of Perry Foundation over the past 20 years or so.

Finally I would like to thank all our other Trustee members of Council. They give freely of their time and expertise for the benefit of the Foundation and also my thanks on their behalf to our Secretary, Gordon Bennett, his good humour and professionalism ensure the smooth running of the Foundation.

**Independent Examiners' Report to the trustees of the Perry Foundation**

I report on the accounts of the company for the year ended 30 September 2018, which are set out on pages 7 to 8.

**Respective responsibilities of the trustees and examiner**

The trustees (who are also the directors of the Perry Foundation for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general directions given by the Charity Commission under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

**Basis of independent examiner's report**

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts represent a "true and fair view" and the report is limited to those matters set out in the statement below.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention to indicate that:

- accounting records in accordance with section 386 of the Companies Act 2006;
- the accounts do not accord with such records;
- where accounts are prepared on an accruals basis, whether they fail to comply with relevant accounting requirements under section 396 of the Companies Act 2006, or are not consistent with the Charities SORP (FRS102)
- any matter which the examiner believes should be drawn to the attention of the reader to gain a proper understanding of the accounts.
